

GLASSHeating

GC300/GC500

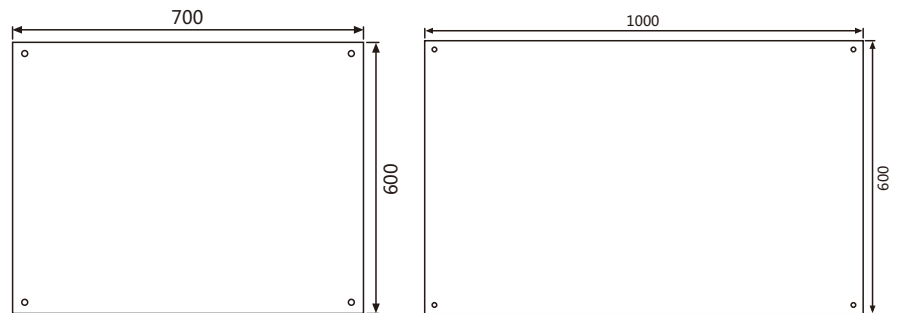

FEATURES

- 5 years product warranty.
- Applied with GS,CE,RoHS certificate.
- High efficient carbon crystal heating element to make a best performance heater.
- Perfect safety due to unique sensor design inside of the panel.
- Carefully inspected during and after production for every pc of panel.
- Energy efficiency: 70% Far infrared radiation, 25% convection radiation.
- Life time up to 100000 hours.

Specifications

Surface:	Toughened glass
Frame:	Frameless
Heating element:	Carbon crystal
Surface temperature:	85-95°C
Voltage:	220-240V 50Hz
Plug:	European standard Plug
Installation:	Wall mounted
Power function:	With on/off function
Warranty:	5 years international warranty

Certificates

Model	Wattage	Dimension	Weight	Frame	Installation
Glass Heating GC300	300W	60*70cm	5kg	frameless	wall
Glass Heating GC500	500W	60*100cm	10kg	frameless	wall
